CORPORATE OVERVIEW

I Will Survive, Incorporated, an award-winning organization, works with community leaders and members to strengthen community health in the workplace and in the home through global internship leader development, university partnership programming, corporate health training, innovative health initiatives using guidelines from the World Health Organization (WHO) and the Georgia Department of Public Health. We pride ourselves as a diverse and inclusive innovative organization founded by a combat veteran woman.

SERVICES PROVIDED

Economic Support: Program support for families in need battling breast cancer to provide nutrition with food pantry partner, I Care Atlanta, help pay rent/mortgage to mitigate homelessness and hunger, pay utility bills and assist with transportation to get to and from doctor appointments to decrease emergency visits.

Prevention Education: Program support with outreach in the community by providing health education workshops and partnering with various entities to increase awareness for access to screenings, quality care and health equity. This program has been funded by The Fulton-DeKalb Hospital Authority, Department of Public Health, Cardinal Health, and United Healthcare.

Health & Wellness Services: Program support for spiritual and mental wellness post cancer to reduce mortality and recurrence rates of breast cancer, other health disparities associated with cancer post treatments and overall quality of life increase (dental services included). Mental Health is the focus for 2023.
